[rsc.li/rscsus](https://rsc.li/rscsus)Correction for 'Hydrothermal synthesis of ZnZrO<sub>x</sub> catalysts for CO<sub>2</sub> hydrogenation to methanol: the effect of pH on structure and activity' by Issaraporn Rakngam *et al.*, *RSC Sustain.*, 2024, <https://doi.org/10.1039/d4su00522h>.

The authors regret that, in the original article, there was an error in the affiliation details for Gustavo Alves and Karin Föttinger, whereby a redundant affiliation was associated with both authors. The corrected author affiliation list, with the redundant entry removed and the remaining entries relettered accordingly, is provided in this document.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
