rsc.li/materials-aCorrection for 'MOF-derived CeO₂ catalysts with Pr doping: engineering oxygen vacancies for improved CO₂ conversion to dimethyl carbonate' by Jungseob So *et al.*, *J. Mater. Chem. A*, 2024, <https://doi.org/10.1039/d4ta05554c>.

The authors regret the omission of one of Geun-yeong Kim's affiliations from the original manuscript. Geun-yeong Kim's correct affiliations are ^aCO₂ & Energy Research Center, Korea Research Institute of Chemical Technology (KRICT), Daejeon 34141, Republic of Korea and ^eAdvanced Materials and Chemical Engineering Technology, University of Science and Technology (UST), Daejeon 34113, Republic of Korea. The corrected list of affiliations for this paper is as shown here.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
