Expression of Concern for 'Surface modification of intraocular lenses *via* photodynamic coating for safe and effective PCO prevention' by Junmei Tang *et al.*, *J. Mater. Chem. B*, 2021, 9, 1546–1556, <https://doi.org/10.1039/D0TB02802A>.

The Royal Society of Chemistry is publishing this expression of concern in order to alert readers that concerns have been raised regarding the reliability of Fig. 3 and 6. An investigation is underway, and an expression of concern will continue to be associated with the article until a final outcome is reached.
