The authors regret that an affiliation was missing from the original manuscript, which should have been listed as affiliation c: The author Getnet Meheretu M. is also affiliated to the Department of Physics, College of Science, Bahir Dar University, Ethiopia. Affiliation b has been updated to reflect this change. The remainder of the affiliation tags have been transposed and the corrected list of affiliations is as shown herein.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
