Expression of concern for 'An 'on-demand' photothermal antibiotic release cryogel patch: evaluation of efficacy on an *ex vivo* model for skin wound infection' by Léa Rosselle, *et al.*, *Biomater. Sci.*, 2020, **8**, 5911–5919, <https://doi.org/10.1039/DOBM01535K>.

The Royal Society of Chemistry is publishing this expression of concern in order to alert readers that concerns have been raised regarding the reliability of the data. The Royal Society of Chemistry has asked the University of Lille to investigate this matter. An expression of concern will continue to be associated with the article until we receive conclusive evidence regarding the reliability of the reported data.
