The authors regret that an incorrect CIF file was originally uploaded as a supplementary file for the original article. The correct CIF file for the structure reported in the article has now been uploaded and is also available *via* the CCDC link in the footnote in the main article. There is a duplicate CCDC deposition number for this structure, as numbers 946040 and 945713 are for the same structure.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
