Correction for '(Thio)chromenone derivatives exhibit anti-metastatic effects through selective inhibition of uPAR in cancer cell lines: discovery of an uPAR-targeting fluorescent probe' by So-Young Chun et al., *Chem. Commun.*, 2025, <https://doi.org/10.1039/D4CC05907G>.

The authors regret that Hye-Jin Yoon's name was spelled incorrectly in the original article. The correct author details are as presented here.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
