Retraction: Atomic diffusion of sulfate and chloride ions in the nanometer cavity of C-S-H/Nanoclay

Ali Dalvand, Seyed Amir Hossein Hashemi, Reza Farokhzad and Ali Delnavaz

Retraction of 'Atomic diffusion of sulfate and chloride ions in the nanometer cavity of C-S-H/Nanoclay' by Ali Dalvand *et al.*, *Phys. Chem. Chem. Phys.*, 2023, <https://doi.org/10.1039/d2cp05251b>.

The Royal Society of Chemistry hereby wholly retracts this *Physical Chemistry Chemical Physics* article: "Atomic diffusion of sulfate and chloride ions in the nanometer cavity of C-S-H/Nanoclay". After exhaustive efforts to contact the authors, a response has not been received; therefore, the authors have not approved the final version of the article and have not taken responsibility for its content.

Signed: Michael Rowan, Executive Editor, *Physical Chemistry Chemical Physics*

Date: 24th June 2025.
