Correction for 'Water activity and electrocrystallization modulated by a high-Lewis-basicity co-solvent for reversible Zn anodes' by Qiang Zhang *et al.*, *EES Batteries*, 2025, **1**, 320–328, <https://doi.org/10.1039/D4EB00039K>.

During the submission and revision stage of this work, Qiang Zhang and Hefei Fan were marked as joint first authors (*via* a footnote notation, Qiang Zhang<sup>1</sup>, Hefei Fan<sup>1</sup>, with the footnote text "These authors contributed equally"). However, this designation was inadvertently omitted in the final published version.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
