## Outstanding Reviewers for *EES Catalysis* in 2024

We would like to take this opportunity to thank all of *EES Catalysis*'s reviewers for helping to preserve quality and integrity in chemical science literature. We would also like to highlight the Outstanding Reviewers for *EES Catalysis* in 2024.

Each one of our outstanding peer reviewers has been carefully selected by our editorial team and includes active researchers who have made significant contributions to peer review and have gone above and beyond in their actions. As well as reviewers who have provided a significant number of quality reports, we recognize reviewers who have provided clear adjudicative reports, reviewers who have taken great care to help authors improve their manuscripts and reviewers who have provided exceptionally insightful and detailed reports.
