FARADAY DISCUSSIONS

Volume 255, 2025

The Faraday Community for Physical Chemistry of the Royal Society of Chemistry, previously the Faraday Society, was founded in 1903 to promote the study of sciences lying between chemistry, physics and biology.

NMR Crystallography

Faraday Discussions

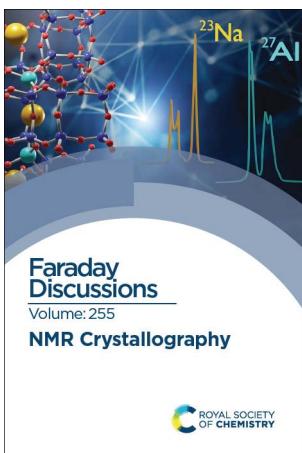

www.rsc.org/faraday_d

A General Discussion on NMR Crystallography was held in Birmingham, UK and online on 4th, 5th and 6th of September 2024.

The Royal Society of Chemistry is the world's leading chemistry community. Through our high impact journals and publications we connect the world with the chemical sciences and invest the profits back into the chemistry community.
