Correction for 'Evaluating the possibilities and limitations of the pyrometallurgical recycling of waste Li-ion batteries using simulation and life cycle assessment' by Marja Rinne *et al.*, *Green Chem.*, 2025, **27**, 2522–2537, <https://doi.org/10.1039/D4GC05409A>.

The funding information in the Acknowledgements section was displayed incorrectly. The correct funding information is shown here.

The work has received funding from the European Union's Horizon Europe Research and Innovation programme under grant agreement 101069865, Business Finland's BATCircle3.0 project (grant number 1754/31/2024), and the Academy of Finland's RawMatTERS Finland Infrastructure (RAMI) based at Aalto University.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.

Aalto University, School of Chemical Engineering, Department of Chemical and Metallurgical Engineering, Vuorimiehentie 2, P.O. Box 16200, FI-00076 Aalto, Finland.
