Outstanding Reviewers for RSC Applied Polymers in 2024

We would like to take this opportunity to thank all *RSC Applied Polymers* reviewers for helping to preserve quality and integrity in chemical science literature. We would also like to highlight the Outstanding Reviewers for *RSC Applied Polymers* in 2024.

Each one of our outstanding peer reviewers has been chosen based on the number, timeliness and quality of the reports completed during 2024.

"Reviewers from across the globe continue to play a critical role in evaluating and enhancing research published in RSC Applied Polymers. The editors have identified a handful of reviewers that have gone above and beyond in their service on this front: from providing insightful comments to help improve the research and make the articles more accessible to readers, to reviewing many manuscripts. Their support of the journal and the cross-disciplinary research community that publishes in RSC Applied Polymers is celebrated" - Professor Emily Pentzer, Editor-in-Chief.
