The authors regret the inclusion of some incorrect information in the Acknowledgements section of the published article. The corrected Acknowledgements section should read as follows:

The authors thank BASF Pharma Solutions for supplying sufficient amounts of IBU for this research. We also express our gratitude to Florian Baum (Max-Planck-Institut für Kohlenforschung) for conducting ICP-OES measurements. The authors acknowledge IMPACTIVE (Innovative Mechanochemical Processes to synthesize green ACTIVE pharmaceutical ingredients),<sup>48</sup> the research project funded from the European Union's Horizon Europe research and innovation programme under grant agreement: no. 101057286.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
