Expression of concern for 'Non-symmetrical dialkyl carbonate synthesis promoted by 1-(3-trimethoxysilylpropyl)-3-methylimidazolium chloride' by Subodh Kumar and Suman L. Jain, *New J. Chem.*, 2013, **37**, 3057–3061, <https://doi.org/10.1039/C3NJ00640A>.

*New Journal of Chemistry* is publishing this expression of concern in order to alert our readers to the fact that concerns have been raised regarding the reliability of the NMR and GC-MS data presented in the supplementary information.

An investigation is underway, and an expression of concern will continue to be associated with this article until a final outcome is reached.
