The authors regret that funding information was omitted from the Acknowledgments section in the published article. The corrected Acknowledgments section should read as follows.

PAS acknowledges support of the POSTDOC-UIB-2020 project "Computer modeling of magnetic nanosorbents", funded by the University of the Balearic Islands and the European Regional Development Fund. The authors thank the financial support of the Spanish Ministry of Economy and Competitiveness (MINECO/AEI/FEDER, UE) through the project PID2020-118317GB-I00/MICIU/AEI/10.13039/501100011033.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
