Correction for 'DNA conductance modulation *via* aptamer binding' by Hashem Mohammad *et al.*, *Nanoscale*, 2025, <https://doi.org/10.1039/d4nr05139d>.

The authors regret that a project funder was omitted from the Acknowledgements section in the published article. The corrected Acknowledgements section should read as follows.

We would like to thank Busra Demir currently employed at Unilever R&D Port Sunlight, and William Livernois from the University of Washington, for their help with discussions on the MD process and building the structure. We also thank Arpan De from the University of Washington for his fruitful discussion on the MD simulation analysis. Olaiyan Alolaiyan further acknowledges King Abdulaziz City for Science and Technology fellowship. M. P. Anantram acknowledges the NSF 2328217 (FMRG) grant.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
