 Correction for 'Effects of morphology and size of nanoscale drug carriers on cellular uptake and internalization process: a review' by Wenjie Zhang *et al.*, *RSC Adv.*, 2023, 13, 80–114, <https://doi.org/10.1039/D2RA06888E>.

This correction is being published to alert readers that Fig. 7(i)–(t) was reproduced from an article in *Small*, which has now been retracted.<sup>1</sup> The article was cited as ref. 8 of this *RSC Advances* article.

The retraction notice of the *Small* article states that “investigation uncovered inappropriate duplication of images (panels of Figures 7d and 12a) between this and other articles that were previously published in a different scientific context elsewhere.”

Fig. 7(d) of the *Small* article was reproduced as Fig. 7(i)–(t) of this *RSC Advances* article.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
