Correction: Recent developments in hydrogels containing copper and palladium for the catalytic reduction/degradation of organic pollutants

Jaber Dadashi, Mohammad Ali Ghasemzadeh*b and Masoud Salavati-Niasaric

Correction for 'Recent developments in hydrogels containing copper and palladium for the catalytic reduction/degradation of organic pollutants' by Jaber Dadashi *et al.*, *RSC Adv.*, 2022, **12**, 23481–23502, https://doi.org/10.1039/d2ra03418b.

DOI: 10.1039/d5ra90028j rsc.li/rsc-advances

The authors regret an error in Scheme 14 and in the caption for Fig. 6.

The incorrect image was inserted previously, and Scheme 14 should have been:

Scheme 14 Reduction of 4-NP in the presence of 3D Pd-CNT-GH.

In addition, the caption for Fig. 6 should have cited ref. 118. The caption for Fig. 6 should have read:

Fig. 6 Preparation and catalytic application of PEI-Ag/PEI-Pd composites and PEI hydrogel. This figure has been reproduced from ref. 118 with permission from the ACS. CC-BY license.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
