Correction for 'Collective motions in the primary coordination sphere: a critical functional framework for catalytic activity of the oxygen-evolving complex of photosystem II' by Hiroshi Isobe *et al.*, *Chem. Sci.*, 2025, <https://doi.org/10.1039/d5sc02386f>.

The authors regret that a typographical error was introduced into eqn (1) during the editing process. The corrected equation is shown below.

$$R = \sqrt{\frac{1}{13} \sum_{K}^{13 \text{ terms}} \|\mathbf{r}_K - \bar{\mathbf{r}}\|^2} = \sqrt{\frac{1}{13^2} \sum_{K < L}^{78 \text{ terms}} \|\mathbf{r}_K - \mathbf{r}_L\|^2} \quad (1)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
