Correction for 'Aromatic polyaroxydiazole pseudocapacitive anode materials with tunable electrochemical performance through side group engineering' by Yan Jiang et al., J. Mater. Chem. A, 2024, 12, 364–374, https://doi.org/10.1039/D3TA06374G.

The authors regret that in the original article, affiliation c – referring to Oak Ridge National Laboratory – was included in error. This affiliation has therefore been removed, with what was previously affiliation d (Brewer Science Inc.) now taking its place as affiliation c with a minor amendment, as displayed herein.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
