Correction for 'Unveiling olivine cathodes for high energy-density lithium-ion batteries: a comprehensive review from the atomic level to the electrode scale' by Wonchan Hwang *et al.*, *J. Mater. Chem. A*, 2024, 12, 27800–27824, <https://doi.org/10.1039/D4TA02338B>.

The authors regret that a funding credit was unavailable at the time of publication and was therefore omitted from the Acknowledgements section of the original manuscript. The corrected funding Acknowledgements are as shown below.

This work was funded by National Research Foundation of Korea, RS-2024-00453139, RS-2023-00238374, 2022R1C1C101145613 and Korea Institute of Science and Technology, 2E33271 and 2V10180. This research was supported by National Research Council of Science & Technology (NST)-Korea Institute of Science and Technology (KIST) Postdoctoral Fellowship Program for Young Scientists at KIST in South Korea. In addition, this work was supported by Jeonbuk Special Self-Governing Province and Gunsan City, South Korea, through the Secondary Battery Enterprise Competency Enhancement Support Program of the Jeonbuk Technopark (JBTP).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
