Correction for 'Virus-like particles nanoreactors: from catalysis towards bio-applications' by Yuqing Su *et al.*, *J. Mater. Chem. B*, 2023, **11**, 9084–9098, <https://doi.org/10.1039/D3TB01112G>.

The authors regret that there were errors in the names and order of the project funding sources in the Acknowledgements section in the published article. The corrected Acknowledgements section should read as follows.

This work was supported by the Natural Science Foundation of Fujian Province (grant no. 2023J05014), Natural Science Foundation of Xiamen, China (No. 3502Z20227004) and National Natural Science Foundation of China (NSFC) (no. 22302164, and grant no. 22278040). S. H. and A. L. are grateful for financial support from the Nanqiang Outstanding Young Talents Program from Xiamen University. A. L. would also like to thank Prof. Jeroen J. L. M. Cornelissen (University of Twente) and Prof. Feng Li (Wuhan Institute of Virology, CAS) for their discussions.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
