Correction for '*In situ* grown CNTs and electrodeposited MnO<sub>2</sub> on MXene-carbon nano-fibers for flexible supercapacitors with high energy density' by Binhe Feng *et al.*, *Chem. Commun.*, 2026, **62**, 1176–1180, <https://doi.org/10.1039/D5CC06218G>.

The authors regret that there were errors relating to the ASC device in Fig. 3g and the graphical abstract image of the original article. The revised versions of Fig. 3 (containing Fig. 3g) and the graphical abstract are as shown here.

### Graphical abstract:

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
