Correction for 'Unveiling field-induced single-ion magnetism in pentacoordinate and heptacoordinate cobalt(II), dysprosium(III) and terbium(III) complexes with a tridentate bis(benzimidazole)pyridine ligand' by Nikoleta Malinová *et al.*, *Dalton Trans.*, 2026, **55**, 3975–3989, <https://doi.org/10.1039/D5DT02849C>.

The authors regret that a typographical error showed incorrect author affiliations. These are now corrected above, with Tibor Dubaj reassigned affiliation “e” and Ivan Šalitroš reassigned to affiliations “a” and “d”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
