

Outstanding Reviewers for *EES Catalysis* in 2025

Cite this: DOI: 10.1039/d6ey90015a

We would like to take this opportunity to thank all of *EES Catalysis*'s reviewers for helping to preserve quality and integrity in chemical science literature. We would also like to highlight the Outstanding Reviewers for *EES Catalysis* in 2025.

rsc.li/eescatalysis

Each one of our outstanding peer reviewers has been carefully selected by our editorial team as having made significant contributions to peer review. In addition to reviewers who provided a high number of quality reports, we are pleased to highlight reviewers who provided exceptionally thorough and detailed reports, reviewers who provided clear and insightful adjudicative reports and reviewers who made additional efforts to aid authors in improving their manuscripts.

We would also like to thank the *EES Catalysis* Editorial Board and Advisory Board and the catalysis community for their continued support of the journal, as authors, reviewers and readers.

We continue to work on improving the diversity of our reviewer pool to reflect the diversity of the communities that we serve.

Shizhang Qiao, Editor-in-Chief
 Emma Eley, Executive Editor
 Claire Darby, Editorial Manager
