 Correction for 'Synergistic polyphenol–amino acid nanoparticles: a new strategy for reactive oxygen species management' by Huizhou Ye *et al.*, *RSC Adv.*, 2025, 15, 5117–5123, <https://doi.org/10.1039/D4RA08496A>.

The author regrets that the funding information was incorrectly shown in the acknowledgements section of the original manuscript. The corrected acknowledgements are as shown below:

“This work was supported by the authors' personal contributions (self-funded by the research team members). The Major Science and Technology Project of Wenzhou Science and Technology (ZG2022017) is led by Prof. Hanfu Wang, and Qiuping Qian is a key participant; however, ZG2022017 did not directly fund this study”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
