Correction for 'Structural engineering of MXenes for enhanced magnesium ion diffusion: a computational study' by Mingxiao Ma *et al.*, *RSC Adv.*, 2025, 15, 16219–16227, <https://doi.org/10.1039/D5RA01985K>.

The authors regret that the funding details presented in the Acknowledgements section of the original article are incorrect. The amended text for the Acknowledgements section is presented below.

“This work was supported by the Hebei Natural Science Foundation Youth Foundation (No. B2024201089), the Advanced Talents Incubation Program of the Hebei University (No. 521000981394), the Scientific Research and Innovation Team of Hebei University (Grant No. IT2023B03) and the High-Performance Computing Center of Hebei University.”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
