Correction for 'Iron tris-mesityl: a homoleptic iron(II) ferrate species for directed C–H activation' by Aleksa Radović *et al.*, *Chem. Sci.*, 2026, <https://doi.org/10.1039/d5sc08832a>.

The authors regret that ref. 31 in their published article refers to the German version as opposed to the international version of *Angewandte Chemie*.

The correct, international version of ref. 31 is given below as ref. 1.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
