Correction for 'Defect-enabling zirconium-based metal–organic frameworks for energy and environmental remediation applications' by Saba Daliran *et al.*, *Chem. Soc. Rev.*, 2024, <https://doi.org/10.1039/d3cs01057k>.

The authors regret that some of the funding information was incorrect in the acknowledgements of the original article. The following sentence was included in error and should be removed: "J. T. H. gratefully thanks the support from U.S. Department of Energy, Office of Science, Office of Basic Energy Sciences (grant number: DE-FG02-87ER-13808)." The other funding information is correct.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
