Correction for 'Strong enhancement of parity violation effects in chiral uranium compounds' by Michael Wormit *et al.*, *Phys. Chem. Chem. Phys.*, 2014, **16**, 17043–17051.

In Tables 3–5, 8 and 9, and in the text on pages 17047 and 17049, units of mHz (millihertz) have been incorrectly displayed as MHz (megahertz).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
