## Correction: Proteomic analysis of the copper resistance of *Streptococcus pneumoniae*

Zhong Guo, Junlong Han, Xiao-Yan Yang, Kun Cao, Ke He, Gaofei Du, Guandi Zeng, Liang Zhang, Guangchuang Yu, Zhenghua Sun, Qing-Yu He\* and Xuesong Sun\*

Correction for 'Proteomic analysis of the copper resistance of *Streptococcus pneumoniae*' by Zhong Guo *et al.*, *Metallomics*, 2015, **7**, 448–454.

The sentence on p. 1 beginning 'Copper resistance in...' should read 'Copper resistance in *S. pneumoniae* is mainly mediated by a single operon encoding a copper-dependent repressor protein (CopY),<sup>11</sup> a copper transporting ATPase (CopA)<sup>7,12</sup> and a copper metallochaperone (CupA).<sup>7</sup>

The sentence on p. 1 beginning 'The third gene...' should read 'The third gene encodes a structurally characterized, membrane anchored cupredoxin-fold protein, designated CupA,<sup>1</sup> which binds two Cu(i) ions with high affinity and is essential for maintenance of cellular copper resistance.<sup>7</sup>
