Correction for 'Engineering lithiophilic Ni-Al@LDH interlayers on a garnet-type electrolyte for solid-state lithium metal batteries' by Wei Liu *et al.*, *Chem. Commun.*, 2021, **57**, 10214–10217, DOI: 10.1039/D1CC02932K.

The authors regret that the y-axis label of Fig. 5b was missing from the original article. The corrected Fig. 5 is given below.

Fig. 5 (a) Galvanostatic discharge and charge curves. (b) Cycling performance and Coulombic efficiency of the full battery with a LiFePO<sub>4</sub> cathode.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
