Correction for "Turning the dials": controlling synthesis, structure, composition, and surface chemistry to tailor silicon nanoparticle properties' by Sarah Milliken *et al.*, *Nanoscale*, 2021, **13**, 16379–16404, <https://doi.org/10.1039/D1NR04701A>.

The authors regret in the original article, the secondary affiliation of Christopher Jay T. Robidillo was omitted by mistake. The correct authorship list and affiliations are as displayed in this notice.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
