Retraction: A self-assembled supramolecular natural product gel from liquidambaric acid in traditional Chinese medicine with inherent anti-inflammatory activity for drug delivery

Kangkang Zhi^{*a} and Jiacheng Wang^{*ab}

Retraction for 'A self-assembled supramolecular natural product gel from liquidambaric acid in traditional Chinese medicine with inherent anti-inflammatory activity for drug delivery' by Kangkang Zhi *et al.*, *J. Mater. Chem. B*, 2020, **8**, 715–726, DOI: 10.1039/C9TB02416F.

The Royal Society of Chemistry, with the agreement of the authors, hereby wholly retracts this *Journal of Materials Chemistry B* article as it contains data which was published without permission. The Royal Society of Chemistry has received notification from Harbin Institute of Technology confirming that "the authors involved in the paper did not have permission to publish this work".

All authors agree with this retraction and Kangkang Zhi states that there is no reason to doubt the validity of the findings.

Signed: Kangkang Zhi and Jiacheng Wang

Date: 4th December 2020

Retraction endorsed by Michaela Mühlberg, Executive Editor, *Journal of Materials Chemistry B*
