Correction for 'The effects of polymer topology and chain length on the antimicrobial activity and hemocompatibility of amphiphilic ternary copolymers' by Rashin Namivandi-Zangeneh, et al., *Polym. Chem.*, 2017, DOI: 10.1039/c7py01069a.

The authors regret the error in Fig. 1 of the original manuscript. The corrected version of Fig. 1 for this paper is as shown below.

Fig. 1 The compositional structures and architectures of the amphiphilic ternary copolymers in this study.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
