Correction for 'Engineering microbial physiology with synthetic polymers: cationic polymers induce biofilm formation in *Vibrio cholerae* and downregulate the expression of virulence genes' by Nicolas Perez-Soto *et al.*, *Chem. Sci.*, 2017, **8**, 5291–5298.

The *Vibrio cholerae* strain used in this work is A1552[1] and not N16961. Both strains are O1 Inaba serotype and the main conclusions of the paper remain unchanged.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
