

List of participants

Dr Musahid Ahmed, *Lawrence Berkeley National Laboratory, USA*
Miss Cate Anstöter, *Durham University, United Kingdom*
Dr Gavin Armstrong, *Nature Chemistry, United Kingdom*
Professor Dr Knut Asmis, *Universität Leipzig, Germany*
Mr Ivan Avdonin, *Lomonosov Moscow State University, Russian Federation*
Mr Sjors Bakels, *Radboud University Nijmegen, Netherlands*
Dr Jacob A. Berenbeim, *University of York, United Kingdom*
Professor Dr Martin K. Beyer, *Universität Innsbruck, Austria*
Professor Evan Bieske, *University of Melbourne, Australia*
Miss Laura Blackburn, *University of Sussex, United Kingdom*
Mrs Sana Bougueroua, *LAMBE UMR8587, Université d'Évry-Val-d'Essonne - Université Paris Saclay, France*
Dr James Bull, *University of East Anglia, United Kingdom*
Miss Maria Elena Castellani, *Durham University, United Kingdom*
Miss Rosaria Cercola, *University of York, United Kingdom*
Dr Chin-wen Chou, *National Institute of Standards and Technology, USA*
Dr Steven Daly, *INSERM, France*
Dr Caroline Dessent, *University of York, United Kingdom*
Dr Petr Dohnal, *Charles University, Faculty of Mathematics and Physics, Czech Republic*
Professor Dr Otto Dopfer, *Technische Universität Berlin, Germany*
Dr Lilian Ellis-Gibblings, *Chemistry Department, UCL, United Kingdom*
Mx Cristiana Furlan, *University of York, United Kingdom*
Dr Valérie Gabelica, *University of Bordeaux, INSERM and CNRS, France*
Professor Marie-Pierre Gageot, *LAMBE UMR8587, Université d'Évry-Val-d'Essonne - Université Paris Saclay, France*
Dr Daria Ruth Galimberti, *LAMBE UMR8587, Université d'Évry-Val-d'Essonne - Université Paris Saclay, France*
Dr Michael Gatchell, *Universität Innsbruck, Austria*
Professor R. Benny Gerber, *The Hebrew University of Jerusalem, Israel*
Emer. Prof. Dieter Gerlich, *Technische Universität Chemnitz, Germany*
Dr Jemma Gibbard, *University of California, San Diego, USA*
Mr Jakob Heller, *Universität Innsbruck, Austria*
Ms Alice Henley, *University College London, United Kingdom*
Professor Christopher Johnson, *Stony Brook University, USA*
Professor Mark Johnson, *Yale University, USA*
Professor Kenneth Jordan, *University of Pittsburgh, USA*
Professor Anna Krylov, *University of Southern California, USA*
Dr Aude Lietard, *Durham University, United Kingdom*
Dr Kevin Lovelock, *University of Reading, United Kingdom*
Dr Richard Mabbs, *Washington University in St. Louis, USA*
Mr Martin Mayer, *Wilhelm-Ostwald-Institut für Physikalische und Theoretische Chemie, Universität Leipzig, Germany*

Dr Laura McCaslin, *The Hebrew University of Jerusalem, Israel*
 Professor Anne McCoy, *University of Washington, USA*
 Dr Ziv Meir, *University of Basel, Switzerland*
 Miss Golda Mensa-Bonsu, *Durham University, United Kingdom*
 Professor Klaus Muller-Dethlefs, *The University of Manchester, United Kingdom*
 Mr David Müller, *Technische Universität Berlin, Institut für Optik und Atomare Physik, Germany*
 Professor Daniel Neumark, *University of California, Berkeley, USA*
 Ms Amelia Newman, *Royal Society of Chemistry, United Kingdom*
 Professor Steen Brøndsted Nielsen, *Aarhus University, Denmark*
 Dr Milan Ončák, *Universität Innsbruck, Austria*
 Professor Jos Oomens, *Radboud University Nijmegen, Netherlands*
 Dr Anouk Rijs, *Radboud University Nijmegen, FELIX Laboratory, Netherlands*
 Professor Thomas Rizzo, *École Polytechnique Fédérale de Lausanne, Switzerland*
 Professor Jana Roithova, *Radboud University Nijmegen, Institute for Molecules and Materials, Netherlands*
 Mr Erik Saparbayev, *École Polytechnique Fédérale de Lausanne, Switzerland*
 Professor Peter Sarre, *The University of Nottingham, United Kingdom*
 Professor Dr Mathias Schäfer, *University of Cologne, Germany*
 Professor Dr Stephan Schlemmer, *University of Cologne, Germany*
 Professor John Seddon, *Imperial College London, United Kingdom*
 Mr Jake Seymour, *University of Reading, United Kingdom*
 Professor Jack Simons, *University of Utah, USA*
 Ms Claire Springett, *Royal Society of Chemistry, United Kingdom*
 Dr Mark Stockett, *Stockholm University, Department of Physics, Sweden*
 Dr Adam Trevitt, *University of Wollongong, Australia*
 Mrs Kelechi Ogochukwu Uleanya, *University of York, United Kingdom*
 Dr Christian van der Linde, *Universität Innsbruck, Institut für Ionenphysik und Angewandte Physik, Austria*
 Professor Jan Verlet, *Durham University, United Kingdom*
 Dr Xuebin Wang, *Pacific Northwest National Laboratory, USA*
 Dr Susan Weatherby, *Royal Society of Chemistry, United Kingdom*
 Professor Dr Roland Wester, *Universität Innsbruck, Austria*
 Dr Alexander Whiteside, *Royal Society of Chemistry, United Kingdom*
 Dr Robert Wild, *Universität Innsbruck, Austria*
 Professor Stefan Willitsch, *Universität Innsbruck, Switzerland*
 Miss Natalie Gee Kwan Wong, *University of York, United Kingdom*
 Dr Sotiris Xantheas, *Pacific Northwest National Laboratory and University of Washington, USA*
