Correction for 'Synthesis and antibiotic activity of oxazolidinone–catechol conjugates against *Pseudomonas aeruginosa*' by Aurélie Paulen, et al., *Org. Biomol. Chem.*, 2016, DOI: 10.1039/c5ob01859e.

The authors regret that there was an error in structures 10–12 in Scheme 6. The correct scheme is shown below.

Scheme 6 Synthesis of MCV-oxazolidinone conjugates **10**, **11**, **12**, **13**, **14** and **15**. i. CuSO₄, sodium ascorbate, THF/H₂O, 21–23 °C. ii. TFA, TIS, EtOH, CH₂Cl₂, 22–25 °C.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
